its nature and principal characteristics of DALLIST'S PAIN EXTRACTOR comes:

It is never-failing and unique property, so soon as any external injury, to CHECK INFLAMMATION and rapidly to reduce it. Its feature constitutes power to alleviate the pain of burns and of other painful diseases, in so invariably short time, and as will appear from the few testimonials annexed. Every intelligent mind is fully aware, in all cases of external injury, the pain is the consequence of the inflammation, and as

you remove the cause the effect must cease. The purificative properties neutralize the poison that in the system, and will, when applied to the skin, rapidly all impure matter to the surface, and prevent the great discharge it produces from sores and by burns—and when applied to aid, inveterate Rheum, or other dangerous diseases.

OF GENUINE DALLET'S PAIN EXTRACTOR has steel Plate Engraved Label with the signature CLICKENBERG & CO., proprietors, and HENRY manufacturer. All others are counterfeit.— Agents, see box.

following the directions. He is assured by the ere  
of hundreds of cures which they have effected, that

estern country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has been found to be a perfect antidote to malaria. They are also plain in their nature, powerful and active in operation, and perfectly harmless to the system, have a more than a specific effect upon the disease which they cure. Some persons have stated that these pills contain arsenic, or some powerful mineral, and their quick effect in curing this disease. The practitioner would state that he will pay one thousand dollars for a quantity of this medicine, and the chemist who will find one particle of mineral in this
